

TWO-MONTH KARMA YOGA PROGRAM – INTRODUCTORY INFORMATION

The intent of this question-answer information sheet is to provide clear information to prospective participants interested in a Karma Yoga stay at Yasodhara Ashram. Please read it thoroughly before completing your application, which is found below.

Applicants must have a willing and curious attitude, plus the capacity for sustained moderate to strenuous physical activity. We ask all applicants to start with an online class followed by a two-month commitment if your application is accepted. Please include at least two work/character reference letters with your application.

The Ashram can accommodate only a limited number of participants; please apply early.

During the two-month timeframe, you can apply to extend your stay to further enrich your experience. The Two-Month Program can be a stepping stone to longer-term residency ranging from three months to two years or longer. See more information in the Extended Stays section below.

What is Yasodhara Ashram?

The Ashram is a spiritual community that continues to celebrate founder Swami Sivananda Radha's yogic teachings, which she has adapted from the East for the Western practitioner. Yasodhara Ashram was established in Kootenay Bay in 1963. We are a registered charity and a thriving retreat and study centre with a diverse offering of [yogic practices](#). Hatha Yoga, the physical practice that most people associate with the word "yoga", constitutes a small part of what we do here. Our practices, as well as courses and workshops that are offered throughout the year, are described in greater detail on the [Ashram's website](#).

What is "Karma Yoga"?

The main spiritual practice here at the Ashram is [Karma Yoga](#), the practice of selfless service. This means the work we do not only contributes to the functioning of the Ashram as a living community (from cleaning rooms to preparing meals and everything in between), but is also used as a tool to help us understand ourselves and grow into who we want to be. Participants in the Two-Month Introduction participate in 6 to 8* hours/day of Karma Yoga, as well as the gentle morning Hatha Yoga classes, evening Satsang (chanting and prayers) in the Temple and weekly classes and workshops.

* If you are 60 or older, there is an option to work no more than 6 hours/day.

What is the Two-Month Karma Yoga Program?

The Two-Month Program provides an opportunity for personal exploration, reflection and growth in a safe, supportive and well established spiritual community. Participants will be introduced to the different forms of yoga (for example Hatha, Karma, Kundalini, Bhakti and Mantra), and learn how these can be practically applied in everyday life situations, both within and outside of the Ashram.

As a karma yogi you will become an important part of the community. Hatha Yoga, evening Satsang and weekly classes will help to strengthen your understanding of the Ashram teachings. Occasionally there will be a half-day workshop to enhance your understanding of the yogic tools used at the Ashram. An important aspect of this program is learning to work within a spiritual community based on the teachings of Swami Radha. Participating in all aspects of Ashram life also helps us support the atmosphere that has been built up over many years of spiritual practices.

Daily Schedule:

Each day includes a schedule from 6:50 am to approximately 8:15 pm, including free time. During that period, you will be offering Karma Yoga for up to 8 hours. This includes work in areas of the Ashram such as Hospitality, Kitchen or Grounds, as well as occasional breakfast-making and evening dishes.

An outline of the typical daily schedule looks like this:

6:50 - 7:50 Hatha Yoga class

8:00 - 8:30 Breakfast

8:30 -12:30 Karma Yoga (work as spiritual practice)

12:30 -1:00 Lunch

1:00 - 1:30 Reflection Break

1:30 - 6:00 Karma Yoga (2 to 4 hours within this time frame; hours can vary)

6:00 - 6:30 Dinner (followed by dishes, variable)

7:30 - 8:15 [Satsang](#) 'Satsang' is a Sanskrit word meaning "in the company of the wise". The community gathers for devotional singing and talks about experiences on the spiritual path.

These times vary in the summer, for example, starting earlier, taking a longer mid-day break and finishing later when it is cooler in the garden.

Please note that all meals are eaten in silence to support personal reflection.

Specific to this community:

Drugs and alcohol

Drugs and alcohol are not permitted in this program. Neither drugs or alcohol are necessary for spiritual growth. Upon your arrival you will be asked to sign an agreement that you will not use or possess any of these substances while you are here. Anyone found possessing or using these will be asked to leave the Ashram within 24 hours. There is a designated smoking area in the parking lot at the southern end of the Ashram for people who smoke tobacco.

Relationships and dress code

At the Ashram, we invite you to enter a community of inner-directed energy, which includes the practices of celibacy and speech awareness. While here, you have the opportunity to look inward and develop a solid foundation for yourself. Because our focus is on character building, self-reliance and emotional independence, we do not encourage romantic or exclusive relationships.

We ask you to support this self-reflective atmosphere by wearing modest clothing that will be comfortable for you to work in. We also ask that you wear clean clothes to classes and in the Temple.

We understand that dress can be a sensitive area, relating to self-image and the cultural history of gender inequality, and that "modesty" is understood differently in different social contexts. If you are unsure about dress at the Ashram, please ask us and we will be happy to discuss it.

Yasodhara Ashram is an 'On-site Retreat' community

Participants in the Two-Month Karma Yoga Program are asked to remain on the Ashram's property for the duration of their time in the program. Being on retreat in this way allows for the integrity of the experience to be maintained. If it becomes necessary to leave at any time due to unforeseen or extenuating circumstances, the applicant is asked to notify the office in writing.

Extending Your Stay – Pathways to Living & Serving in the Ashram Community

During your initial stay we welcome you to consider whether you would benefit from an extended experience through our [Pathways Program](#). Provided both parties agree it is a good fit, it is possible to become a Karma Yoga resident by extending in steps which might start with 3 months and could continue for 6 months, 1 year or 2+ years depending on your interests. This gives you the opportunity to deepen your spiritual focus and practices, expand your skills as you live and work alongside us as part of our community. You might become a team leader, eventually even become a teacher, and continue to gain experience that is transferable to work outside the Ashram. We will be happy to discuss possibilities with you.

COVID PROTOCOLS

You will be given a rapid test for Covid upon arrival and again at the end of a two-day period. N95 masks are required in designated common indoor areas at the Ashram between tests. Our Covid protocols are updated based on the latest health and safety information. Please read our [COVID-19 Health and Safety](#) plan before traveling to the Ashram.

Emergency Medical Services: The Ashram is at least one and a half hours from the nearest hospital and three hours from larger hospitals with specialized services. Because of the Ashram's isolated rural setting, ambulance services are not always immediately available; at best an ambulance takes half an hour or longer to arrive on the Ashram site. Although the Ashram has basic first aid and a medical clinic is nearby, the clinic is only open three days per week and is without emergency service; accordingly the Ashram's ability to respond to medical situations is limited.

Given our remote location, health services can be quite costly for individuals who do not have adequate health insurance coverage. For example, one trip to the hospital in an ambulance costs about \$400, just for the trip alone!

FINANCIAL CONSIDERATIONS

This program is funded by donations given in a spirit of generosity and is offered to you, the program applicant, at no cost. The value of the room, board, tuition and services you receive for one month at the Ashram is approximately \$2400. Delicious organic meals, shared accommodation, your weekly classes and half-day workshops are included.

We welcome any contribution you can offer towards mitigating these costs and supporting the program. Please indicate your possible contribution:

I would like to make a contribution of \$_____ towards the cost of my participation in the Two Month Program. Any amount above \$4800 will be treated as a donation and eligible for a receipt for tax purposes.

Also note that participants generally require about \$100 each month to cover fees such as internet, telephone, laundry and other sundries. Sufficient funds must also be available to pay for your departure plans.

Do you have these funds available? Yes / No

We are fortunate that donations help us to maintain this program. Please consider encouraging others to donate (tax receipted) to the Ashram's Learning & Outreach Fund which in part funds the Two Month Karma Yoga Program and our program for returning Karma Yogis!
