**OVERVIEW
OF THE SATSANG
CEREMONY**

Namaste.

Welcome to satsang at Yasodhara Ashram.

ENTERING

As people enter the Temple, we often sing a *bhajan* (devotional song), chant a mantra or sit in silence. An option on entering is to prostrate (bow) at the altar, symbolizing respect for a power greater than our minds and letting go of any concerns.

OPENING PRAYER

Together we recite an opening prayer, often the Universal Prayer.

AARTI

Lighting a candle, symbolic of our five senses, we chant OM three times. As the candle is passed to each person, we sing a bhajan or repeat the Divine Light mantra. Passing our hands over the flame, we touch each sense organ, asking, “May all my sense perceptions be purified by Divine Light.”

CHANTING

The heart of satsang is chanting a mantra for those who have asked to be on our prayer list. Chanting is followed by a period of silence.

INSPIRATION

The satsang leader often speaks from personal experience about an aspect of spiritual life or reads from an inspiring source. Occasionally a video is shown.

PRASAD

Prasad, a Sanskrit word meaning “grace,” is a sweet given to symbolize the sweetness of the day and the teachings. When we receive the prasad, we hold it in our hand until everyone has some. Then we repeat a prayer, usually the Divine Mother mantra, and eat together.

ENDING

As people leave, we sing a bhajan, chant a mantra or sit in silence. We maintain silence when exiting the Temple in order to carry the special atmosphere with us.

Hari Om Tat Sat

PRAYERS

THE UNIVERSAL PRAYER (GURUDEV SIVANANDA)

O adorable Lord of Mercy and Love!
Salutations and prostrations unto Thee.
Thou art Omnipresent, Omnipotent, and Omniscient.
Thou art Satchidananda.
Thou art the Indweller of all beings.
Grant us an understanding heart,
Equal vision, balanced mind,
Faith, devotion and wisdom.
Grant us inner spiritual strength
To resist temptation and to control the mind.
Free us from egoism, lust, greed, hatred and jealousy.
Fill our hearts with divine virtues.
Let us behold Thee in all these names and forms.
Let us serve Thee in all these names and forms.
Let us ever remember Thee.
Let us ever sing Thy glories.
Let Thy Name be ever on our lips.
Let us abide in Thee for ever and ever.

DIVINE MOTHER PRAYER

O Divine Mother,
May all my speech and idle talk be Mantra,
All actions of my hands be Mudra,
All eating and drinking be the offering of oblations unto Thee,
All lying down prostrations before Thee;
May all pleasures be as dedicating my entire self unto Thee,
May everything I do be taken as Thy worship.

PRAYER TO THE DIVINE MOTHER OF THE UNIVERSE

Updated 2019

O Divine Mother

Thou art the Mother of the Universe

Thou hast given birth to all things

I am Thy child, created in Thy image

But I have wandered away from my heavenly home of cosmic plenty.

Help me to regain my consciousness of Thyself.

Rescue my consciousness

Shipwrecked in this tiny body.

Help me to remember that I am created in Thy image

And I am pure blissful consciousness as Thou art.

I am independent spirit created of Divine Light,

Brilliant white Light that has no shadow.

I am created for a purpose, part of the Divine Plan,

May I know that purpose to fulfill the Divine Will.

May I be forgiven for all my wrong action

Knowing and unknowing in this life and others.

I will forgive also all wrong action,

True or imagined by others in this life or before.

No one needs to be reborn for the satisfaction of any feeling

That I may have had, true or imagined.

Given the power, I would like to set all Souls free,

As I would like to be set free.

PRASAD PRAYER: BHAGAVAD GITA

Yat Karomi Yad Ashnami

Yaj Juhomi Dadami Yat

Yat Tapasyami Govinda

Tat Karomi Tvadarpanam

..... *Whatever I feed on or perform or give away in
charity, whenever I worship or aspire:
all I offer, Lord to Thee.*
.....

METTA SUTRA: THE SUTRA ON LOVING KINDNESS

May I be free from greed, hate, and delusion.
May I be full of self-sacrifice, love, and understanding.
I charge my heart, which is now temporarily pure,
With thoughts of Loving Kindness.
I charge every cell of my being with thoughts of Loving Kindness.
I build a healthy, happy aura of Loving Kindness around me,
That no wicked thought or evil intention can penetrate.
Now I am protected.
I now send forth thoughts of Loving Kindness
To all beings and creatures
To everything animate and inanimate
To everything that has taken rise in consciousness
And to everything still in its causal state.
I send forth these thoughts around me
Around my dwelling
Around my district
Around the continent
Around the world.
Loving Kindness to all, Loving Kindness to all.
Around the universe, Loving Kindness to all.
Around the cosmos Loving Kindness, Loving Kindness to all.
Loving Kindness to all who dwell above
And Loving Kindness to those who dwell below.
May all beings and creatures
And everything animate and inanimate
And everything that has reached Consciousness
And everything still in its causal state:
May all be happily minded.
May none hurt each other in anger and in ill-will.
May their minds be wholesome.
May all have sufficient for their needs.
May all be fortunate enough to encounter the Dharma.
Humbly I accept the loving thoughts of everyone in return
None excluded.
And now I share the benefit of this meditation with everyone.

We worship the three-eyed One (Lord Siva) who is fragrant and who nourishes all beings; may He liberate me from death for the sake of immortality, even as the cucumber is severed from its bondage (of the creeper).

May all be well.

May all enjoy peace.

May all enjoy fulfillment.

May prosperity be unto all.

May all be happy.

May all be free from ailment.

May all look to the good of others.

May none suffer from sorrow.

Lead me from the unreal to Reality.

Lead me from darkness to Light.

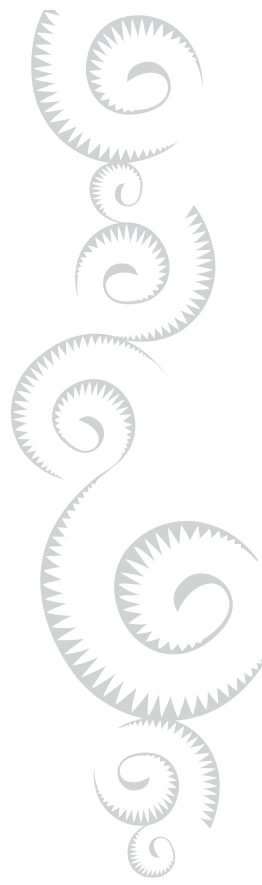

Lead me from death to Immortality.

That (the Divine) is full,

This (the creation) is full;

From infinite, infinite alone is born and even after that, the infinite remains infinite.

He makes the world Divine. He shows the way for those who have gone from the path.

May we always sing praises of Lord Hari. May we have love for Lord Siva's feet.

CARAVAN SONG

Wanderer, worshipper,
Lover of leaving, come and join the caravan.

Come and join the caravan
Wander through this desert land so dry
You can travel in disguise
A companion of the wise ones...
Going home.

It matters not where you come from
Everyone can dance to this drum song
Listen to the tambourine
Take you where you've never been before...
Going home.

Wanderer, worshipper,
Lover of leaving, come and join the caravan.

We do not journey with despair
Song and laughter travel where we're going.
It's a journey of delight
Get you through this weary night so long...
Going home.

And even if you've tried before
A thousand times, and now once more
We call you, as our caravan comes by.
You can join us anytime you like...
Going home.

Wanderer, worshipper,
Lover of leaving...

FIND THE LIGHT

This time is given us to know
With all that it comprises
The richness and potential here
The darkness as it rises

Our task is placed before us now
The drumbeat yields no quarter
The Mother's asking for our lives
To turn our hearts toward Her

And find the Light within, find the Light
Find the Light within, and send It, send It

And though the clouds obscure our path
The storms grow ever stronger
We are a steadfast band that walks
With vision forged in wonder

Clearly seeing once again
All we've known forever
The Light, the dark, eternal choice
Facing it together

Finding the Light within, finding the Light
Finding the Light within, we send It, send It

Find the Light within, find the Light
Find the Light within, and send It, send It

I hear your voice sing through wind and mountains
I hear your Earth song, your song of sky
I hear your laughter, it sings a star song
I hear your love song, your song of light

Repeat Refrain

I hear your sweetness within the sunrise
I hear your power, a mighty roar
I hear you calling on glint of water
Your song resounding in every form

LANTERNS

Refrain:

Lanterns on a dark road.
Carrying the Light, little bits of Light.
I see lanterns on a dark road.
Keeping the Light, keeping the memory alive.

Little sparks of memory, was it but a dream?
Do you know the road there, does it remain?
Were you at the tavern? Was it as it seems?
Have you tasted wine like that ever again?

Repeat Refrain

Looking for the way back, when I see your Light
Glimmerings of memory seem to arise,
Tell me, can you tell me,
Of the One who brought that wine?
Did you meet the Light that shone from those eyes?

Repeat Refrain

Since I left the tavern, everything has changed
I'm longing to return for another taste of that wine.
This question in your lamplight:
Did you find the same?
Our longing is a pathway, our Light is a sign.

Repeat Refrain

LIGHT GETS IN

Forget your perfect offering
Ring the bell that still can ring
There is a crack in everything
That's how the Light gets in.

LIGHT IS RETURNING

Light is returning
Even though this is the darkest hour
No one can hold back the dawn.
Let's keep it burning
Let's keep the Light of hope alive
Make safe our journey through the storm.
One planet is turning
Circle on her path around the sun
Earth Mother is calling Her children home.
Come on home, won't you come on home? (2X)

LIGHT POURS IN

We stand in place
We enliven an ancient way
We hold this space
With mind and heart aligned
With purpose and intention
A promise to fulfill
In willing receptivity - As the light pours in.

Chorus:

And the light pours in,
And the light pours in,
And it fills
And it spills
To all the earth.
And the light pours in
And the light pours in
And it grows
And it flows -
To all.

We hold our gaze
We enact a sacred way
In light's embrace
Our mind and heart expand
On a path to our potential
We choose to realize
To benefit all being - As the light pours in.

Chorus

We stand in grace
We surrender to this way
We turn our face
To behold with a single eye
The spiral of our destiny
Our birthright to be free
And consciously receive to give - As the light pours in.

SONG OF SAINT FRANCIS

Make me a channel of Your peace:
Where there is hatred, let me sow Your love;
Where there is injury, Your pardon Lord;
And where there's doubt, true faith in Thee.

Make me a channel of Your peace:
Where there's despair in life, let me bring hope;
Where there is darkness, let me bring Your Light;
And where there's sadness, ever joy.

O may it be that I will never seek
So much to be consoled as to console,
To be understood, as to understand;
To be loved, as to love with all my soul.

Make me a channel of Your peace:
It is in pardoning that we are pardoned,
And giving unto all that we receive,
And dying, grow into eternal Light.

SONG OF THE 18 - ITIES

Serenity, regularity, absence of vanity,
Sincerity, simplicity, veracity,
Equanimity, fixity, non-irritability,
Adaptability, humility, tenacity,
Integrity, nobility, magnanimity,
Charity, generosity, purity.

Practise daily these eighteen -ities;
You will soon attain immortality;
You'll abide in eternity and Infinity;
You'll behold Unity in Diversity.

Serve, love, give, purify, meditate, realise;
Be good, do good, be kind, be compassionate;
Adapt, adjust, accommodate;
Bear insult, bear injury: highest Sadhana.

Brahman is the only real entity:
Mr. So-and-So is a false non-entity.
You cannot learn this in the university.
By Yoga Sadhana you attain Immortality.

Serve, love, give, purify, meditate, realise;
Be good, do good, be kind, be compassionate;
Adapt, adjust, accommodate;
Bear insult, bear injury: highest Sadhana.

Om Tat Sat, Om Tat Sat, Om Tat Sat Om.
Om Shanti, Om Peace, Om Shalom Om.

Let nothing disturb thee, nothing afright thee
All things are passing, God never changeth.

Who God possesseth, in nothing wanting
Alone God sufficeth, alone God sufficeth.

THE RIVER

The river is a healer, the river is a sage
The river knows no end and the river feels no age
The river is a leader every single day
It's living in the moment and it always finds a way

Chorus:

Water heal my body
Water heal my soul
When I go down, down to the water
By the water I feel whole

The river calls me over – it's calling out my name
In the day and in the night I hear that river all the same
It's calling me over, calling out my pain
Oh, a river gathers tears just like a river gathers rain

Chorus

The river is a traveler – always on the go
Oh, a river never worries if it's fast or if it's slow
River, take me to where I need to go
Oh, and I will just relax and let the river flow

Chorus

THE TREE

The tree is there for all to see
Shining brightly in the Light
Lift your gaze, lift your gaze
Branches reaching so high

Refrain: Ma Ma Mata Ma, Mata Mata Ma (2X)

Come to the courtyard of the heart
All you wish for is here
Lift your gaze, lift your gaze
Flowers trembling so near

Refrain

This blessed tree waits for you
Rooted in the ancient truth
Lift your gaze, lift your gaze
Its golden fruit is there to choose

Refrain

THE RIVER IS FLOWING

The river is flowing, flowing and growing
The river is flowing down to the sea
Mother carry me, Your child I'll always be
Mother carry me, down to the sea

THERE IS A RIVER

There is a river, a holy river that flows inside my heart (2X)

And I go to that river, there to wait for my Beloved (2X)

And Krishna comes and plays his flute on the banks of the Holy River (2X)

That flows inside my heart (2X)

UPON THIS WHEEL

The ancients say upon this wheel, we turn and turn around
Bound to life's unfolding joy, life's unfolding sorrow
Knowing not from whence we've come, lost to our true nature
Carrying so deep within, a key to liberation

Refrain: Hari Om (4X)

The ancients tell of those who found a way past joy and sorrow
Living in the world's delights, yet seeing all is dream
Beyond the senses' tempting pull, they reached another knowing
Like a polestar's guiding light, a key to illumination

Refrain

The ancients dwell within our lives, they whisper to us still
They speak to us of bonds we've made, bonds we can undo
Showing us a shining path, that opens with surrender
Gratitude, and offering, keys to Light Eternal

Refrain

WALKING EACH OTHER HOME

We are all just walking each other home (repeat)

Part 2:

Home where we all belong
Home where we all come from
Home where we all go
Home is the only place we know

WE ARE ONE IN THE SPIRIT

We are one in the spirit, we are one in the Light, (2X)
And we pray that our unity will this day be restored,
And we know we are brothers by our love, by our love,
And we know that we are sisters by our love.

WHEN MY DREAM'S DREAM IS DONE

Whence do they come here? Whither do they flit away?
When my dream's dream is done, (2X)
She will lift me on her lap. (2X)

WHO IS IN MY TEMPLE?

Who is in my temple? Who is in my temple?
All the doors do open themselves; All the lights do light themselves; (2X)
Darkness, like a dark bird, flies away, oh, flies away. (2X)

Y

YOUR FLUTE

Your flute echoes in the caverns of my heart
And though I try to turn away
There's nothing sweeter I can hear within this life
Than this melody You play

Refrain: Krishna, Krishna, Krishna Murali, Krishna Krishna Hari (2X)

Wandering my way along this road
I can forget You for a while
But then Your song comes floating on the breeze
And once more my heart's on fire

Refrain

From this longing You've wrapped around my soul
Flows Your wisdom every day
There's nothing sweeter than these moments when I know
I am the flute on which You play

Refrain
